The nationwide poll was conducted by Morning Consult on behalf of Gambling Is Not Investing, online, March 17-22, 2026, among a sample of 15,029 adults. State-level results are estimated by a multi-level regression and post-stratification (MRP) model weighted by age, race/ethnicity, gender, and educational attainment within each state. Results from the full survey have a margin of error of plus or minus 1 percentage points.
